Dyma ein Pwyllgorau

Rydym wedi rhannu plant yr ysgol o Flwyddyn 2 i 6, i bedwar Pwyllgor.

We've shared all the children at school from Year 2 to 6, into four Committees.

Sam Committee

The main aim of the Sam Committee is to offer a voice to every child in the school. The committee will help keep the school healthy and safe, help the children to be friends, give everyone a chance to share ideas, collect money to help charities, and organise events to collect money towards buying new resources for the school.

Dear Mr Jones,

Hello my name is Miriam and I'm the Secretary for SAM committee. My friend's name is Ela, and she's the Chairperson of SAM committee. We are both in year 6 at Ysgol Pant Pastynog. We are writing this letter as we would really like your help. Mr Edwards our headteacher, asked us to think of ideas on how we could reduce the energy we use at school, and by doing this, hopefully reduce the costs. As a committee, we have come up with the following ideas:-

- Place solar panels on the school roof to create our own electricity.
- Changing all the light bulbs to saving bulbs.
- Check that all the walls and school roof, is well insulated.
- Putting sensors in each classroom that will turn the lights off and on, like we have in our toilets.

We think that if any of these ideas were installed at school, they would certainly help in reducing the energy we use and costs.

We would really appreciate it if you could let us know what you think of our ideas and possibly if you have time, come over to our school to talk to us about this matter.

Thank you very much.

Kind regards

Miriam and Ela.
